

VISIONARY LEADERSHIP AWARD

2017 Call for Nominations

RECIPIENT SELECTION

The recipient of the Visionary Leadership Award will be selected from all nominations. The MHA Board of Trustee's chair officers, with support from MHA staff, will review nominations. Nominations will be kept anonymous to the best extent possible. The 2017 Visionary Leadership Award winner will be announced at MHA's 95th Annual Convention & Trade Show scheduled Nov. 1-3, 2017, at Tan-Tar-A Resort in Osage Beach, Mo. The recipient will receive:

- complimentary registration for MHA's 95th Annual Convention & Trade Show
- tickets to the Installation and Recognition Banquet for the recipient and as many as five guests
- presentation of the award at the Installation and Recognition Banquet
- recognition in a news release to area and statewide media

Should you have questions or need additional guidance, please contact Leslie Porth, Senior Vice President of Strategic Quality Initiatives, at 573/893-3700, ext. 1305, or lporth@mhanet.com.

NOMINATION DEADLINE

All nominations and materials for the 2017 Visionary Leadership Award must be received electronically by **5 p.m. Friday, May 5.**

P.O. Box 60 | Jefferson City, MO 65102-0060
Phone: 573/893-3700 | Fax: 573/893-2809

Missouri's hospitals and health systems increasingly have embraced various strategies to improve health, clinical and safety outcomes of the patients and communities they serve. The Visionary Leadership Award recognizes innovative service and program initiatives led by the nominee. This year, one winner will be recognized.

Created in 1999, this award is presented at MHA's annual convention to a hospital or health system chief executive whose organization has led innovative initiatives to improve community health or patient outcomes.

Please describe the following.

An overview of the initiative, including implementation and current status.

Results of the initiative, to date.

The role and contributions to the initiative(s) made by the nominee.

Key stakeholders and partners, if applicable.

Select the description(s) that most accurately describes the strategic initiative upon which the award nomination is based. Please note this award does not focus on building or service-line expansion.

- access to quality care within the community, including disparate, medically underserved, lower socioeconomic and chronically ill populations
- improvement of patients' clinical outcomes
- coordinated chronic disease management between the community and acute care settings
- safety outcomes for patients and the community, including disaster planning
- partnership with public health or similar organization addressing a population-based health issue
