Background

- Missouri Hospital Association
- Missouri Area Health Education Centers
- Missouri Primary Care Association
- Department of Health and Senior Services

Some of the Issues

- Lack of primary care
- Lack of preceptors for our learners
- Many attempts (sometimes disjointed) to address the obstacles

Georgia's Primary Care Summit Outcomes

- \$1.2 million for 400 GME training positions
- Almost \$700K for rural/primary care medical student rotation housing
- \$1.7 million for new/expanded PC GME programs
- Tax credits for PC preceptors taking medical students
- Tax incentives for hospitals – GME expansion
- Funding for loan forgiveness for PCP

Today

- Environmental scan
- What are the gaps?
- What can we do here in Missouri?
- ID/brainstorming of PC resources
- New ideas
- Define our agenda and ID actionable next steps
- Form active workgroups

Scan of the Environment

Donald L. Weaver, MD

Associate Medical Officer

National Association of Community Health
Centers

Primary Care Resource Review

- Choose a scribe to record ideas on chart paper
- Choose a spokesperson to report areas of concern/gaps at 11 am
- Debrief “Scan of the Environment” and review white paper to identify key areas of concern or gaps in the educational pipeline

Defining Our Agenda

- Quick introductions
- Choose a scribe to record ideas on chart paper
- Choose a spokesperson to report on project ideas at 1:30 pm
- Address assigned table topic questions focusing on solutions to issues

Prioritization of Primary Care Summit Projects for Year One

- Table facilitators bring all easels (1 – 10) to the front of the room
- Participants locate 5 dots inserted behind the nametags to vote for projects
- Please don't vote for a project more than once

Next Steps

- Identify priorities for year 1 (dot clusters)
- Indicate your project(s) of interest by writing your name on the chart or on a post it note next to that project before you depart today
- Submit feedback regarding white paper or if you are interested in working on a potential part 2, 3, 4, etc.
- Complete your evaluation form
