Business Analyst

The Hospital Industry Data Institute (HIDI), the data company of the Missouri Hospital Association (MHA), is seeking a business analyst for analyzing, identifying, planning and leading projects to improve processes, increase business insight and help drive business operations to meet strategic and operational goals. Must possess a bachelor's degree in a business or technical discipline or equivalent training and experience. Formal training or certification in process improvement (SAFe®), business operations or project management is preferred. Understanding of legal aspects related to HIPAA is required. Experience working in a healthcare-related setting or a background in healthcare information systems is desired. Must possess exceptional time management and organizational skills and ability to work in a trusted environment. HIDI is an equal opportunity employer with a smoke free work environment. HIDI participates in the E Verify Program. Submit resume and salary requirements to Human Resources, P.O. Box 60, Jefferson City, MO 65102-0060 or fax to 573/893-7665.
