***** JOB OPENING NOTICE *****

Open: May 3, 2019

Research Analyst

The Hospital Industry Data Institute (HIDI), the data company of the Missouri Hospital Association (MHA), is seeking a research analyst to provide research-oriented analytical support to the MHA, its affiliates and hospital-based clientele. Qualifications include a baccalaureate degree in statistics, economics, finance, social science, mathematics or related field (master's degree preferred). Successful candidate should have a strong familiarity with current health policy issues and trends. Strong working knowledge of modern applied data analytics and statistical techniques. Extensive knowledge of SAS programs (experience with SQL and ArcGIS software preferred). A high degree of creativity and exceptional analytic, critical thinking and writing skills required. Ability to perform complex data manipulation, statistical analysis and regression modeling. Strong interpersonal skills and the ability to communicate and consult effectively is essential. HIDI is an equal opportunity employer with a smoke-free work environment. HIDI participates in the E-Verify Program. Submit resume and salary requirements to Human Resources, P.O. Box 60, Jefferson City, MO 65102-0060 or fax to 573/893-7665.
