

Hospital Emergency Preparedness Program Update

December 5, 2017

Audio selections — see webinar dashboard for details.

1. Listen through computer's speakers
2. Dial in by phone

Housekeeping

- This offering is being recorded.
- Lines have been muted.
- Questions will be addressed at the conclusion of the program utilizing the webinar dashboard.
- PowerPoint and recording will be posted on the MHA website.
- Participants will be asked to complete a survey at the conclusion of the webinar.

Welcome and Purpose

- Focus: Organizational hospital emergency management programs
- Target Audience: Staff responsible for these initiatives
- Purpose:
 - Timely and appropriate information
 - High-level overview
 - Education and exercise opportunities
 - Statewide planning initiatives
 - Provide ongoing updates and awareness to staff regarding CMS Rule
- Format: Informational with opportunity for questions

Today's Program Topics

- IV Fluid Shortage
- MHA Preparedness and Safety Program Assessment
- 2018 MHA Educational Offerings
- CMS Final Rule for Emergency Preparedness Conditions of Participation
- FY17 ASPR Hospital Preparedness Program Update
- Call for other items – participant discussion

IV Fluid Shortage

- Small-volume parenteral saline solution
 - Hurricane Maria – Puerto Rico
 - Production facilities impacted – Baxter
 - MHA activated EMResource query to gauge Missouri hospital impact
 - Conservation strategies
 - FDA approved international shipments
 - Resolution anticipated this month
- IV amino acids

MHA Preparedness and Safety Program Assessment

- Data collection will inform:
 - Hospital Preparedness Program Application
 - Technical Assistance for CoPs
 - Safety and Workplace Violence Initiative
- Assessment sent Wednesday, Nov. 29 – email from Leslie Porth
- Responses due Wednesday, December 20
- Contact Carissa Van Hunnik with questions

Education

Preparedness Education

- ✓ November 15 – Emergency Preparedness Fundamentals Course
- February 22
 - Safety and Regulatory Compliance Program, Columbia
- May 8-9
 - Facilitation Skills Workshop, Columbia

Safety Education

- December 14
 - Promoting Safe Environments of Care Webinar
- First Quarter 2018 Webinars
 - Behavioral health-centric safety programs
 - Confiscation of narcotics and firearms
 - Body worn cameras in the care setting
- Second Quarter 2018
 - De-escalation skill building for front-line staff
 - Regional meetings for law enforcement and health care partners

CMS Final Rule for Emergency Preparedness

CMS Emergency Preparedness Final Rule

- Timeline
 - Finalized September 8, 2016
 - Published in *Federal Register* September 16, 2016
 - Effective November 15, 2016
 - Implement **November 15, 2017**
- The Joint Commission has updated its Emergency Management (EM) standards, *pending approval*, which will go into effect this November 15 for TJC deemed status surveys.

Categories: Providers and Suppliers

1. Hospitals
2. Critical Access Hospitals (CAHs)
3. Rural Health Clinics (RHCs) & FQHCs
4. Long-Term Care (LTC)/Skilled Nursing Facilities (SNF)
5. Home Health Agencies (HHAs)
6. Ambulatory Surgical Centers (ASCs)
7. Hospice
8. Inpatient Psychiatric Residential Treatment Facilities (PRTFs)
9. Programs of All-Inclusive Care for the Elderly (PACE)
10. Transplant Centers
11. Religious Nonmedical Health Care Institutions (RNHCIs)
12. Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IID)
13. Clinics, Rehabilitation Agencies, & Public Health Agencies as Providers of Outpatient Physical Therapy & Speech Language Pathology Services
14. Comprehensive Outpatient Rehabilitation Facilities (CORFs)
15. Community Mental Health Centers (CMHCs)
16. Organ Procurement Organizations (OPOs)
17. End-Stage Renal Disease (ESRD) Facilities

Recent CMS Resources

- Interpretative Guidance released June 2017
- On-demand emergency preparedness surveyor training course
 - Required for all state and regional surveyors responsible for health and safety, or life safety codes

Available Resources

- Updated resources at www.mhanet.com
 - Four-part video series
 - Self-assessment checklists
 - Suggested planning timeline by ASPR HPP
 - Yale New Haven Crosswalk
 - Interactive Toolkit

National HPP Resource: TRACIE

- **Technical Resources**
 - Collection of preparedness materials searchable by keyword
- **Assistance Center**
 - Access to specialists for one-on-one support
- **Information Exchange**
 - Peer-to-peer, protected, open discussion
- <https://asprtracie.hhs.gov/>

Post Survey Feedback

- Please share your experiences with CMS CoP surveys by deemed accrediting bodies or state surveyors.
- MHA will synthesize high level themes and provide guidance through 2018.

Hospital Preparedness Program Update

HPP Focus Areas for FY17

- Healthcare Coalition Governance
 - Execute HCC Memorandum of Understanding
 - Formalize the risk and needs assessment process
 - Develop member and leader orientation materials
 - Finalize HCC preparedness plans
 - Draft HCC response plans
 - Incident management, alignment with ESF-8
 - Resource request procedures

HPP Focus Areas for FY17

- Healthcare Coalition Training and Exercise
 - Deliver and evaluate HCC evacuation/surge exercise utilizing ASPR HPP toolkit
 - Create opportunities for CMS exercise compliance
 - Document exercise outcomes for HPP reports
 - Identify and provide training in preparation for, and following, HCC exercises
 - MedSled equipment assessment and hands on training
 - Develop standardized emergency preparedness curriculum for organizational staff

Ebola Supplemental Funding

CDC's Tiered Response Framework

- Frontline Facilities
 - All hospitals/providers capable of screening, isolating and protecting staff, patients and visitors
- Assessment Hospitals
 - Barnes-Jewish Hospital selected through the DHSS competitive procurement process
- Treatment Centers (nationally-designated)
 - HHS Region VII: Nebraska Medicine - Nebraska Medical Center, Omaha, Nebraska

Ebola Supplemental Funding

- Hospital Preparedness Program Components
 - Assessment hospital: Barnes-Jewish Hospital
 - Healthcare Coalitions
 - Plan alignment
 - PPE training, as requested
 - Transport agencies:
 - HPP partnered with EMS mutual aid coordinators to develop statewide transportation plan
 - Self-identified EMS services eligible for HCC-funded equipment and supplies
 - Regional transport plans drafted and tested in spring 2017

April 2017 Ebola Exercise AAR/IP

- Identified Next Steps
 - Educate frontline facilities on statewide plan, to include transport
 - Refine notification procedures and recipients
 - Exercise EMS transport to assessment hospital, to include respite sites
 - Explore the formation of a deployable ID taskforce to provide support to frontline facilities

General Updates

Changes to SEOC Procedures

- Common terminology - SEMA Control Room will now be referred to as the 'State Watch Center'
- SEOC Activation Matrix
 - Level 4: Enhanced Monitoring – Requires SEMA staff in support functions only
 - Level 3: Partial Activation – Requires state command staff and basic support functions
 - Level 2: Full Activation – Requires state command staff, full staffing of all ESFs, state agencies and partners
 - Level 1: Full State/Federal Response – Requires state command staff, full staffing of all ESFs, state agencies, partners and integration of federal assistance to coordinate resources and support

MODRS Transition to SEMA

- Missouri Disaster Response System has become an asset of the State Emergency Management Agency
 - Medical team – MO DMAT
 - Mortuary team – MO DMORT
 - Team members have become part-time state employees for deployment

Strategic National Stockpile

- Transition to WebEOC for requests
 - Medical countermeasures
 - Medical supplies
- Requesting agency varies by county
- Hospitals encouraged to review their plans
- State-level staff reviewing process for efficiencies
- HCCs to review regionally in 2018
