MISSOURI HOSPITAL ASSOCIATION
Workforce Resources

COMPENSATION AND BENEFITS REPORT
Each year, through an agreement with the Missouri Hospital Association and the Kansas Hospital Association, Gallagher Surveys performs web-based compensation and benefit surveys for MHA and KHA members. Surveys include the following.

- annual employee compensation and benefit survey for more than 400 job titles, including C-suite, mid-level managers, physicians, and hourly employees (January)

Member hospitals that participate in each survey can view the results at no charge. Results can be defined by region, health care facility type, bed count, profit status, revenue level and total employees. To participate in these surveys, contact Jill Williams at jwilliams@mhanet.com for more information.

ANNUAL WORKFORCE REPORT
Each year, MHA releases a statewide workforce report and 10 regional reports that analyze the rates of vacancy and turnover in hospital-based health professions statewide. The report includes data from approximately 145 hospitals and identifies trends among 28 hospital-based positions, and four clinic and physician practice positions.

PRECEPTOR ACADEMY
The Missouri Preceptor Academy is a communitywide training program for hospital registered nurses and allied health professionals serving as preceptors to newly hired employees. These employees deserve dedicated and competent preceptors to support their orientation experience. Dedicated and competent preceptors are vital to the success of our health care organizations and to the retention of nurses and allied health professionals. Our mission is to take a proactive approach in educating and supporting preceptors.
