Data Quality Analyst

The Hospital Industry Data Institute (HIDI), the data company of the Missouri Hospital Association (MHA), is seeking a data quality analyst to be responsible for developing and implementing processes and activities to evaluate and improve content quality, consistency and integrity across HIDI's portfolio of services. Must possess a bachelor's degree in health information management, management information systems or health information technology or equivalent experience and training. Two or more years of relevant data analysis work experience is required. Prior work experience implementing health data quality and governance programs is highly preferred. Proficiency with various forms of source data, performing complex data manipulations and delivering data and analytic deliverables using SQL, SAS, Alteryx and/or other statistical programming applications is required. Applied experience with business intelligence tools (e.g. Tableau, Power BI), geospatial analysis tools (e.g. ArcGIS), hospital UB04 and other common healthcare data sources highly preferred. Experience in accurately gathering/decomposing general project requirements and translating into precise programmatic workflows (using SSMS, for example) is desirable. Training and/or work experience in quality improvement methods (SPC, Lean/Six Sigma, CQM) highly preferred along with demonstrable knowledge of industry standard data quality practices. Working knowledge of data governance practices and business/technology issues related to the management of enterprise information assets and approaches related to data protection is preferred. Must possess strong analytic orientation and advanced problem solving skills. This position is eligible for working remotely on a full-time basis. Ideally, candidate should live within driving distance from our corporate offices in Jefferson City, Missouri, as the employee will be requested to attend meetings in person from time to time. The employee must be able to travel to and from the corporate offices without any restrictions. HIDI is an equal opportunity employer with a drug and smoke-free work environment. HIDI participates in the E-Verify Program. Submit resume and salary requirements to Human Resources, P.O. Box 60, Jefferson City, MO 65102-0060 or fax to 573-893-7665.
