Database Administrator

The Hospital Industry Data Institute (HIDI), the data company of the Missouri Hospital Association (MHA), is seeking a database administrator who will be responsible for designing, monitoring and maintaining the business intelligence database used to provide robust and flexible enterprise business intelligence solutions for HIDI participating hospitals, HIDI business partners and Missouri Hospital Association (MHA) and its affiliates. This position requires collaboration with the Director of Business Intelligence Databases with the formation of ideas and concepts for software development and enhancements, programming and software testing. Position also will be responsible for SQL server troubleshooting, debugging, tuning and database optimization for SQL queries and stored procedures as well as designing and managing database import/export processes used to populate test databases and production databases. A bachelor's degree in computer science or equivalent training and experience is required. Must have strong knowledge of Windows and Internet programming environments, computer operations, computer languages, SQL database systems, spreadsheets, graphics and related applications. Ability to design, create and maintain application programs using Visual Basic and .NET programming skills is desired. Must have strong documentation, analytical and problem-solving skills. Must have excellent communication, collaboration and organizational skills; with proven ability to prioritize multiple activities and objectives to thrive in a rapidly changing environment. An understanding of healthcare data, code set standards and industry classifications (ICD9, ICD10, CPT, CMS-HCPCS codes) in a hospital environment or related experience is desired. This position is eligible for working remotely on a full-time basis. Ideally, candidate should live within driving distance from our corporate offices in Jefferson City, Missouri, as the employee will be requested to attend meetings in person from time to time. The employee must be able to travel to and from the corporate offices without any restrictions. HIDI is an equal opportunity employer with a drug and smoke-free work environment. HIDI participates in the E-Verify Program. Submit resume and salary requirements to Human Resources, P.O. Box 60, Jefferson City, MO 65102-0060 or fax to 573-893-7665.
