Vice President of Children's Health and Medicaid Advocacy

The Missouri Hospital Association is seeking a motivated, detail-oriented self-starter to become the vice president of children's health and Medicaid advocacy. This position is responsible for performing health policy and advocacy duties related to the design and operation of governmental health insurance programs for children and low-income Missourians.

This position will testify at hearings and perform public speaking responsibilities. Experience with reviewing and interpreting legislation and regulations is required. Must possess a bachelor's degree, with a master's degree, CPA or J.D. preferred. Must have at least seven years of experience in the areas of health policy analysis, governmental finance or hospital financial management, as well as an understanding of state budgeting and hospital operations and finances. Detailed knowledge of Medicaid, Title XXI and other health programs is essential. Candidate should possess leadership qualities and strong analytical, writing and oral communication skills. This position will perform a variety of professional and administrative functions, sometimes under long and irregular hours. This position also will need to travel and spend time away from home.

MHA is an equal opportunity employer with a drug and smoke-free work environment. MHA participates in the E-Verify Program. Submit resume and salary requirements to Human Resources, P.O. Box 60, Jefferson City, MO 65102-0060 or email to humanresources@mhanet.com.
